

## **Report to General Assembly Sunday 28 June 2028 - Re-run Election Results – Central and South America, Mexico and Caribbean Islands (CSAM&CI) Regional Representatives**

### **1. Purpose**

This paper is submitted to the General Assembly to formally present the outcome of the re-run election for the Council Regional Representatives for the Central and South America, Mexico & Caribbean Islands (CSAM&CI) region, and to provide the background and governance context for the re-run process.

### **2. Background**

Concerns were raised during our 15 April General Assembly regarding the technical execution of the election of Council Regional Representatives for the Central and South America, Mexico & Caribbean Islands (CSAM&CI) region. Immediately following the General Assembly and in accordance with section 11 of the published General Assembly Rules of Procedure, the Board was requested to review the voting for the CSAM&CI Council Regional Representatives.

### **3. Board decision and rationale**

Following its review of the electoral process, the Board determined that the technical issues encountered during the online voting system may have affected the integrity and perceived fairness of the election outcome for the CSAM&CI. In order to uphold the principles of transparency, fairness, and constitutional compliance, the Board resolved that a re-run election for the CSAM&CI regional representatives would be conducted.

### **4. Re-run election process**

The re-run election was conducted using the same eligibility criteria and electoral procedures as the original election held during the April General Assembly. The process was overseen in accordance with the published Rules of Procedure, with appropriate safeguards in place to ensure integrity, transparency, and equal access for all eligible voting members.

- Voting period: 20-27 May 2028
- Voting platform: Kuorum.Org
- Eligible voters: Nominated delegates from the CSAM&CI region

- Positions available: 2
- Candidates: 3

## **5. Results of the re-run election**

The following candidates are duly elected as Council Regional Representatives for the CSAM&CI region:

- Catia Govia, Brazil
- Rodrigo Rubio, Mexico

## **6. Conclusion**

The Board confirms that the re-run election has been completed in accordance with the approved Rules of Procedure and governance requirements. The results are therefore considered final and valid.

**The General Assembly is invited to note the outcome of the re-run election and the appointment of the elected Council Regional Representatives for the CSAM&CI region, and to ratify the results of this re-election.**
