

WFSA
WORLD FEDERATION OF SOCIETIES OF
ANAESTHESIOLOGISTS

Uniting and empowering anaesthesiologists around the world to improve patient care

Full List of Member Society Benefits

WFSA is a unique global professional membership organisation, uniting and empowering anaesthesiologists in more than 140 countries. WFSA works with member societies and other organisations to improve access to safe anaesthesia care (including perioperative medicine, pain management and critical care) in all regions of the world.

WFSA's strength is its member societies. We are strengthened by our diversity and united by our goal of improved patient care. WFSA has an official liaison role with the World Health Organization, where we raise awareness of the role of anaesthesiologists, and argue for greater resourcing for our speciality and our patients. WFSA is the global voice of anaesthesiology.

Benefits and Opportunities for Member Societies

- Advocacy on behalf of anaesthesiologists at WHO and government level, including official statements and letters of support for member societies.
- Connection with a global network of member societies.
- Connection with a global network of leaders and academic experts.
- Connection with other international organisations, such as the International Committee of the Red Cross, the G4 Alliance, and Global Surgery Foundation.
- Promotion of member society conferences and other activities.
- Support for member society education and training initiatives.
- Support for member society development, including governance and operational expertise.
- Member societies are eligible to host the World Congress of Anaesthesiologists (WCA).
- Member societies are eligible to participate in WFSA elections and influence the strategic direction of WFSA.

WFSA Office, 52 Horseferry Road, London SW1P 2AF, United Kingdom
